Less than 72 hours notice given – team will incur a forfeit fee of one game fee and a penalty of minus the above points (-) points

If a catch up game is available at a later date teams will receive their penalty points back BUT at no time is it guaranteed that a time slot will be available for teams to play a catch up game.

THREE FORFEITS WILL RESULT IN TEAMS BEING REMOVED FROM THE COMPETITION. Teams forfeiting the final round of competition will be ineligible to play finals.

CAPTAINS TIPS

Over the years we have found that the successful Captains & Teams have employed the following team policies, we hope you can use them as well:

- Confirm all players at the end of your game for next week
- Get everyone involved – if you are short of players for a game get everyone to ask a friend to play rather than leave it for the Captain to find a player
- Collect an extra \$1 or \$2 off every player each week to go into a team fund, to cover players when you may be short or just use for an end of season celebration.
